The Challenge

On Saturday 14th May 2011 five ITP employees will set off from the ITP Engines UK site in Whetstone, Leicester. Cycling south the team will bisect London on route to Folkestone and board a train for the channel crossing. Once in Calais they will have an 850 mile ride through France and into Spain, finishing at the ITP headquarters in Bilbao.

The Team

Craig Askew (CEO), Mike Heyworth (Business Manager), Adrian Hill (Head of Manufacturing Engineering), Mark Eaton (Commercial Officer) and Howard Harris (Design Engineer)

Fund Raising

The target is to raise £10,000 in aid of Prostaïd and LOROS, which will be equally split between these two local charities. All donations will be greatly appreciated and can be made by visiting the team's JustGiving website at the address below:
